Friends of The City Library Membership Application

For over 50 years, the Friends of The City Library has dedicated itself to supporting and enriching the Salt Lake City Public Library. In that time Friends volunteers have worked thousands of hours, raised hundreds of thousands of dollars, and promoted community literacy.

We invite you to join this dynamic group of individuals who share a love of books and libraries. Your contribution will make a significant difference. Proceeds earned through membership dues, used book sales, and The Library Store are donated to the library and help support public programs and events, library equipment and furnishings, outreach to the community, library collections, and educational support for library staff.
