

OVERDRIVE: INSTRUCTIONS FOR APPLE iOS DEVICES

OverDrive Read (Web Browser-based Option)

1. Go to overdrive.slcp.org.

Bookmark this page in your device's web browser for easy access in the future. To do so, tap the **Share button** , or on older devices  then tap . OverDrive will then be easily accessible via the **Bookmarks menu**  for subsequent visits.

2. Browse the eBook collection to find the title you would like to check out.

You can browse by category via the menus across the top of the screen, or search by specific title, author, or ISBN number in the **Search Box**  in the upper right-hand corner of the screen.

3. Borrow the book you wish to read.

To do so, tap the image of the book cover once, then press the green **Borrow** button.

4. Authenticate your library credentials.

Enter the barcode from your City Library card as well as your PIN number, and tap **Sign In**.

5. Open the book in your browser.

After completing the authentication process, you will be in the  **Bookshelf** area of your account. The book you borrowed in Step 3 above should appear here.

Tap  **Read** (In your browser).

6. Congratulations! The book will open in a new browser tab and you can start reading.

Remember to bookmark the book's specific web address URL via Safari's  menu for easy access in the future. For instruction on downloading a book for offline access, see the instructions to the right.

To Return a Book

Your book will return automatically after the loan period has elapsed (typically 14 days). If you wish to return your book early, go to the  **Bookshelf** area of your account and tap the gray **Return Title** button for each title you wish to return.

To Download a Book for Offline Access

1. Bookmark the eBook's URL in Safari.

With the book's tab open in Safari web browser, **Bookmark** this eBook's specific URL by tapping the **Share button**  and then tapping .

2. Download the entire eBook's content from within the OverDrive Reads menu.

With the book's tab open in Safari web browser, tap the center of the screen or swipe down from the top of the screen to bring up the **OverDrive Read** menu . In the menu, tap the section called **Offline Access**, then tap the link at the bottom that says **(Alternatively, you can download in Safari)**. Tap the **Cloud** icon  to begin downloading the book for offline access. When the progress bar (black circle progressing around the cloud) has completed, the eBook is available for offline use.

3. Test that the book has been properly downloaded for offline use.

Prior to leaving the range of your Wi-Fi/Data access, turn on  **Airplane Mode** or turn off  **Wi-Fi** and/or Cellular Data, then attempt to access the eBook via the bookmark menu in Safari.

Tips and Tricks

- **To place a bookmark** at any point in the book while reading, tap the upper right corner of the page you'd like to bookmark. A grey **bookmark ribbon**  will appear when the page has been bookmarked. You can also tap anywhere on the page to bring up the **OverDrive Read** menu, then tap the **bookmark ribbon**  at the bottom center of the page.
- **To define a word**, tap the word and hold until it is highlighted in blue. Tap **DEFINE** in the menu that pops up.
- **To highlight a selection** from the book: tap the beginning of the passage and hold until the blue selection appears. Drag to select the desired text, then tap **HIGHLIGHT** in the menu that pops up.
