FEBRUARY TEEN EVENT HIGHLIGHTS

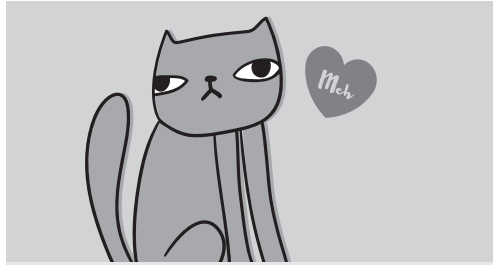

LIFE IS STRANGE: GROUP VIDEO GAME PLAYTHROUGH

Every Saturday, February 3–24 · Noon
Day-Riverside Branch

Set off on a multi-week adventure, playing as a group through the mystery video-game Life is Strange. Follow the story of Max Caulfield, a high school senior who discovers she can turn back time. Each Saturday we'll play our way through different episodes of the game, projected on the big screen. Players will work together to discuss the subject matter and make decisions, and each player will get a chance to helm the computer at least once.

Register by calling 801-594-8632. This game is rated M for Mature and so we will be accepting teens ages 14-17 only.

TEEN DIY: ANTI-VALENTINE'S DAY

Saturday, February 10 · 1–2pm
Chapman Branch

No matter how you feel about romance this Valentine's Day, you've probably noticed that the covers of romance novels can be, well, just a little silly. Take romance covers and come up with something better with our provided craft supplies. You can also make Valentine's Day or Anti-Valentine's Day cards, and make a candy-launching catapult.

GRANDEUR OF THE GALAXY: SPACE STORMS!

Friday, February 23 · 7–8:30pm
Sweet Branch

The Sweet Library and the Clark Planetarium will be teaming up for an after-hours event learning all about space and space storms! Come learn about extreme space weather, look through a telescope at storms on other planets, and create a fire tornado!

As this is an after-hours event, patrons will need to register by calling the Sweet Branch.

90-SECOND NEWBERY FILM FESTIVAL SCREENING

Friday, February 24 · 2pm
Main Library Auditorium

Come discover the next Steven Spielberg at this celebration of young filmmakers! Join us for a special screening of kid-created films that depict the plots from Newbery Medal-winning books—each in 90 seconds or less! The audience will enjoy the best submissions from Utah and around the country.
